Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising "action" free any more than a merchant can give over his counter free gifts of dry goods or shoes. A newspaper is a legitimate business concern. Its columns are its stock in trade and advertisements should be paid for, no matter in what part of the paper they appear.

HECHINGER & CO.'S

FALL STYLES

Are Shown in Scores of Handsome New Cuts!

Weavers' wits were never more versatile in producing attractive loom effects. Skill in wholesale tailoring has made marvelous progress in recent years. No better evidence is needed than a critical inspection of ready-to-wear clothing made for them. There is a nicety of detail, a carefulness of finish, a symmetry of cut that denotes master minds and master hands. This not only has reference to their clothing, but also to their other different departments. Nowhere will you see so handsome a display of Gentlemen's Furnishing Goods, fine shirts, hats, collars and ties as Hechinger & Co. show.

Have You Looked at Their Stock of Smith & Stoughton

SHOES?

Recognizing the needs of their patrons, Hechinger & Co. arranged with Messrs. Smith & Stoughton, one of the most prominent manufacturers of fine men's shoes in the country, to sell their goods. See their window display of them and you will not wonder that although but thirty days elapsed since the first shipment arrived they are already doing the men's fine shoe business of the town.

HELLBROKE LOOSE

Dastardly Deed of Human Devils in Campbell County.

PRISONERS ARE IN JAIL HERE.

One of the most dastardly outrages that has blackened the pages of criminal history was perpetrated in the outskirts of Newport at half past 7 o'clock Wednesday night.

Thomas Gleason and his wife were walking along the Alexandria pike, on their way to visit a friend.

As they proceeded Mrs. Gleason noticed two men following them, and called her husband's attention to the fact.

They concluded to stop and let the men pass; but as they stopped the men stopped also.

Finally the two men, afterwards recognized as Matt alias "Dad" Meiner and George Greer, came up to them, the former seizing Gleason and the latter Mrs. Gleason.

They said they were police officers and drew a revolver to intimidate the couple. The man said to be Greer started in the direction of Covington with Mrs. Gleason, and the other man went towards Newport with his husband.

Mrs. Gleason was dragged into a field and eleven men stood in upon her, ten of whom were soon after arrested, and all of whom she identifies as having outraged her.

The parties arrested are George Greer, Matt Meiner, Ed. Hendig, John Shannon, Frank Bushmiller, Frank Meiner, Hubert Mitter, William Showler alias "Eagle" Dumas, Henry Bushmiller and John Dufosse—ten in all.

All the accused live in Newport.

The officers express the belief that they will soon capture the eleventh man.

Mrs. Gleason, the victim of the outrage, is but 17 years of age and had been married but a few months.

Following the arrest of the parties they had an examining trial before Judge Bennett, who held them all to the Grand Jury without bail.

A few minutes after the prisoners were bound over, Circuit Judge Helm, into whose care they passed, directed that they be brought to the Maysville Jail to await the possibility of a lynching.

ARRIVAL IN MAYSVILLE.

Soon after noon yesterday THE LEADER was advised that the prisoners would arrive here at 5:30; and so its hired man was at the C. and O. Station to meet the distinguished gentlemen.

Boarding the train at the West End Station he found the visiting delegation handsomely arranged in pairs and affectionately bound together by links of steel.

They were in charge of High Sheriff Jule Plummer and Deputies Fred Miller and Evan Williams, with George M. Blitt, Rob Connelly and Jailer John Blittler as Guards.

The procession left the train in front of the St. Charles Hotel, and under escort of the officers, assisted by something less than stoutest curious citizens, it moved through "Whisky Chute" to Second, down Second to Sutton, up Sutton to Third, down Third to Castle Johnson, where the prisoners will remain until the Campbell Circuit Court is ready to try them—and the Devil is ready to try them.

It is the opinion of some of the visiting officers that several of those arrested will be able to establish their innocence, but that some of the guilty parties are now in the clutches of the law there is no room for doubt.

FURTHER THE PRISONERS.

Beginning shortly after supper and lasting till nearly midnight, strong efforts were made to secure statements from several of the prisoners.

While those "statements" were closely guarded by the officials, THE LEADER

learns that it is pretty definitely settled that George Greer and "Dad" Meiner were the head Devils, and that they, with two others of the gang now in Jail, did outrage Mrs. Gleason, while three others were present as spectators and the remaining three were not there at all.

It is stated also that three men who were there have not yet been arrested.

If this be so, the "combustion" culminates on the unlucky "13," and Jule Plummer may have the honor of officiating as floor manager at another hell dance.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in the results, is putting it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form.
